PHONE SCAM ALERT!!

Over the past two weeks, multiple citizens have called dispatch to report that they received a call from a man claiming to be "Lt. Vance Berry of the Tulsa County Sheriff's Office." The man tells potential victims they have warrants and must send money to him in order to avoid being arrested.

No man by this name is employed by the Tulsa County Sheriff's Office. TCSO does not contact persons with warrants and threaten them over the phone. Never send money to strangers that contact you by phone and never give them your credit card information. Under no circumstances agree to meet the caller in person to give them money.

The caller sometimes becomes aggressive. In at least one of these cases the he claimed to know where the victim lives and left that person threatening voicemails.

The calls are being made from a phone number with a 918 area code. The Tulsa County Sheriff's Office is now investigating.

If you have received one of these calls or have fallen victim to this scam and would like to file a report, call the Tulsa County Sheriff's Office at 918-569-5600.
